

LIBERATING MINISTRIES DISCIPLESHIP PROGRAM (LMDP)

is a fresh approach to Bible study for any student of God's Word, from the new Christian to the more seasoned believer. It is designed to equip and empower the Bible student with knowledge and practical application for a dynamic, fruitful Christian life.

This program systematizes over 20 years of research and teaching from Liberating Ministries for Christ International (LMCI). The material is divided into 9 levels:

- ◆ DISCIPLESHIP 101
- ◆ DISCIPLESHIP 201
- ◆ DISCIPLESHIP 301
- ◆ ADVANCED SPIRITUAL WARRIOR
- ◆ BIBLICAL ASTRONOMY
- ◆ HEALTH & WELLNESS
- ◆ INNER HEALING
- ◆ MANIFESTATIONS OF THE HOLY SPIRIT
- ◆ SMALL GROUP LEADERSHIP

- ❖ To view each level's curriculum of the LMDP, **scroll down to view the following pages** or go to the PDFs section of our LMCI.org e-store.
- ❖ Open registration for the LMDP is offered continuously throughout the year. Students are requested to finish their chosen level of study within 4 months of their registration date.
- ❖ The student is required to have all the resources necessary to complete their chosen level of study before beginning their study. To ensure this, the student should place their LMCI e-store order no later than the same day that they register for the study level. Materials are shipped from Virginia via the US Postal Service's Media Mail, which the Post Office says takes 2–9 working days to deliver (depending upon how far away you are from Virginia).
- ❖ Each level of study consists of 15 credits (some required resources and some electives). *To receive a certificate of completion, the student must complete their level of study within 4 months of registering for a level.*
- ❖ Some resources can count toward credit in more than 1 study level. If the student completes such a resource in 1 level, it is not necessary to re-do that material at a later date in order to receive credit for the other study level(s). Alternatively, a student may choose to study a different resource, if available, in the later level to fulfill its requirements/electives instead of applying credit from the previously studied resource.
- ❖ The student may choose any level(s) of study; however, there is a benefit to completing the Discipleship 101, Discipleship 201, and Discipleship 301 in sequence as described in the next bullet point.
- ❖ When the Discipleship 101 level is completed, the student is then eligible for a 10% discount on the resources they need to complete Discipleship 201. Upon completion of Discipleship 201, the student is eligible for a 20% discount on the resources they need for Discipleship 301. (Note: These discounts are only available when Discipleship 101, Discipleship 201, and Discipleship 301 are completed in sequence.)
- ❖ **At the completion of each resource, the student is required to answer 3 questions.** On page 15 of the curriculum, you will find the 3 Studying with Purpose questions to be answered for each of your chosen resources. These will not be graded but need to be emailed to david@lmci.org or mailed to LMCI, PO Box 38, Bedford, VA 24523 for review by LMDP staff to determine that the student has sufficiently comprehended the material.
